# Breakfast Spot

Bruce Potter

Monday to Wednesday & Friday, 6am to 9am

## “Start the Day the Right Way!”

FROM a lengthy and successful background in advertising, Northside’s main breakfast announcer Bruce ‘Spot’ Potter began at FM99.3 several years ago. Always interested in radio, Spot soon settled into the breakfast timeslot.

He enjoys the fast-paced style of breakfast, using his quick wit, comedy, and great music to keep his audience entertained. Each day he connects with and acknowledges the hundreds of listeners who ring to answer his daily quiz question. He also gives reports on the surf, snow (during winter) and other local initiatives.

What keeps him interested? “The constant challenge to improve” says Bruce. There’s never a dull moment with this ebullient entertainer who loves the convivial camaraderie with his audience.

Join Bruce “Spot” Potter for a Breakfast Show that will help you

No doom, gloom, bad news and crazy views, just good music, humour, satire, the daily quiz, surf and snow reports and the joke of the day.

If it’s happening in Sydney you’ll hear about it on the Breakfast Spot. And if you’d like to contribute jokes, poetry, or comedy material fill in the form below.

“Start the Day the Right Way!” On Bruce Potter’s Breakfast Spot!

And always, “If you see someone without Smile, give them One of Yours!”

### Experience It! Conwy, Wales

One of the loveliest towns to explore on the northern coast of Wales is Conwy (from Old Welsh *cyn* "chief" and *gwy* "water"). Originally an English military outpost built in the 13th century, it retains beautifully preserved medieval walls as well as the towering fortress known as Conwy Castle, with eight lofty towers complete with spiral staircases. This mighty monument, standing high above the small town and the riverbank, was built, amazingly, in just four years by the English King Edward I and his architect. UNESCO has designated the castle a World Heritage Site, noted as one of the finest examples of late 13th- and early 14th-century military architecture in Europe. Stretching across from the castle lie the town, the river, and the craggy mountains of Snowdonia. The town itself, notable also for its scenic harbor front, is dotted with quaint cafés, tearooms, and markets that beckon visitors.

of your journey through Britain's scenic and storied landscapes. (B, D)

**Day 10: Tuesday, September 30, 2025 London - Paris, France** Head to the train station\* and zip through the underwater tunnel that runs beneath the English Channel – known commonly as the "Chunnel." In less than three hours, you'll be in Paris, the "City of Light." Take in the most iconic sights of Paris on a panoramic city tour. With your local guide, marvel at the Arc de Triomphe, Champs-Élysées, and Notre Dame Cathedral. Later, join your guide to get to know the area surrounding your hotel and use the Métro underground system\*\* like a local (giving you the freedom to set off later as you wish) on your way to a Seine River dinner cruise. As you cruise from the base of the Eiffel Tower and float by illuminated landmarks, let the Paris of your dreams sweep you off your feet. (B, D)

**Day 11: Wednesday, October 1, 2025 Paris** This morning, join your local expert to explore the hip neighbourhood of Montmartre. Blending artistic roots and quirky modernity, this 18th *arrondissement* neighbourhood is home to classical painters and cultural provocateurs. Venture into the Musée de Montmartre and glimpse into the roots of cabaret and the lives of Paris' most famous artists and take advantage of time at leisure to explore on your own. Perhaps you'll browse the shops of L'Opéra District, where you'll have time to peruse luxury Parisian retailers or take a stroll down the Champs-Élysées and pause at a local café for some people watching. (B)

**Day 12: Thursday, October 2, 2025 Paris** It's your last day in Paris – how will you spend it? Perhaps you'll explore *Le Marais*. This

trendy district abounds with winding streets, gorgeous old mansions, and independent boutiques. Meander through the flourishing trees and bright grassy patches of Place des Vosges, the oldest planned town square in all of Paris. No matter how you spend your day – you'll get a true taste of the Parisian lifestyle. (B)

**Day 13: Friday, October 3, 2025 Paris - Extension Ends** Wish Paris goodbye as you transfer to the airport for your flight. (B)

You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.

**Travel with an average of 37 people (maximum of 44).**

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Days of features are interchangeable.

Guests arriving in Edinburgh on certain dates in August will receive tickets to Edinburgh's famous Military Tattoo show.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability. Triple rooms are not standard in Britain.

To complete your tour, we include return airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Air passengers will arrive into Edinburgh Airport and depart from London airports.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, arrival flights should arrive prior to 4:00 p.m.

While in Paris the extension is hosted. A Hosted Extension is great for travelers who like to spend full days exploring places on their own by foot or public transportation. A dedicated Tour Manager will not be present during this extension.

\*\*Using the Paris underground system requires the ability to negotiate 2 to 3 flights of stairs and agility to step on and off moving escalators. Seating is not guaranteed in the Métro as it's available on a first come, first served basis. In case seats are not available, the ability to stand in a moving

vehicle is required (handrails are available). Only 3% of the underground stations are wheelchair accessible.

\*Porterage is not available at train stations in London or Paris, and you will be responsible for your own luggage for the duration of this train journey. You must be prepared to handle your own luggage from the motorcoach to the platform and lift it aboard the train. Luggage space is limited, so you may have to store your bags in the overhead racks as there is no checked luggage service available on French trains. You will be responsible for carrying your bags from the train to the motorcoach upon arrival in Paris.
