ABOUT THE SOS SUMMER PASSPORT

Summer of 2020 is shaping up to be the strangest summer on-record because of COVID. No one really knows what will be open and what won't. The summer activities we've planned on may not work out the same way. But despite all of the changes, one thing remains the same: together, we can still bring hope to our community! The SOS Summer Passport is a safe way to get out of the house, spread hope, and be tangibly generous towards those who need it the most. Simply STOP by, POP your trunk, and DROP off your donation!

HOW TO USE IT

The SOS Summer Passport is a downloadable set of pages that you fold into a half-page booklet. We will release new pages to download each week that indicate the next special location. These locations will be non-profit organizations and ministries with specific needs.

Each weekend, through August 1st, SOS Radio will set up shop at the location for 3 hours, while you're invited to join in and STOP, POP, and DROP! While you're there, we will stamp your passport and set you up with some fun SOS Radio swag!

With each passport stop, we are helping to supply the organizations who are on the frontlines of serving our community. Their doors and services have remained open, and we can help them restock! We are keeping hope alive in our community!

WHAT HAPPENS WHEN IT FILLS UP?

When you fill the passport with at least 7 stamps, you can submit your completed entry at sosradio.net, to be entered to win a special grand prize! **Outside of Vegas?** Use the Blank Sheets to fill in the organization or ministry of your choice. Simply make sure you complete a total of 7 stops!

At the end of the summer, the passport becomes a keepsake of all the good you've accomplished! A reminder that even in the worst of times, believers can shine a light of hope.
