"Advertising with Dee is straightforward, its simple. They're a local business, we receive very friendly service. You are made to feel important, and we aren't just throwing money at one off ads. We receive value for money, and bonus added value over and above.

Other avenues have opened up to us as a result, like sponsoring the Chester's Dee Radio Local Hero Awards. I'd say it's definitely worth making the commitment"

**Dave Byrom, Owner, K Cycles**

"We've done some low-key advertising, one hit shots like the Evening Standard and the Evening Leader, and it doesn't really compare – advertising on the radio is a different ballgame. It wasn't gradual, it was acute! It didn't just start gradually, it grew very rapidly, once we advertised on the radio. It was certainly touching the right client base, from day one"

**James Powell, Chocks Away Diner, Hawarden Airport**

"I remember a customer in the showroom discussing it with his wife and she was saying, do we get to choose the registration number? And her Husband saying, yes, don't you remember the adverts? They were both laughing, because it was quite a comical advert! And I thought, we've nailed it!"

**Luke Regan, Dealer Principal, Cheshire Oaks Honda, Holdcroft Motor Group**

"Thanks to Silk they've helped us tremendously to be put on the map in Cheshire, we're a household name now thanks for the help with our campaigns over the years"

**AD Booth & Sons Roofing Specialists**

"Another great event with Silk , really well organised been a busy day in the showroom , loads of customers, thanks to silk for a brilliant day"

**Robert Burns Garages**

"What a fantastic evening we all had on Friday so please pass our thanks to Mike, Cheshire the Cat and all the crew for their involvement on the night. Thanks also to you for your input and bringing all the arrangements together"

**Helen Richards Disley Parish Council**

"(Silk is) more effective than magazines.....Once we saw the results from the first campaign, we tried another and that was a similar response and it's a really positive outcome"

**George Carr, Marketing and Communications Manager, All Hallows Catholic College, Macclesfield**

"Only yesterday somebody came into the shop and said that they'd heard the advert on the radio.....I think the results that we have had from it looking back over the last twenty years have been fantastic and I wouldn't be without Radio Advertising now on Silk FM"

**Gayle Parkes, Owner, Pet Food Supplies, Macclesfield**
