

Driver Education Class Information

Released on June 24, 2020

Madison Consolidated High School Driver Education Instructors are making plans to resume the program for students who were enrolled when the program was suspended in March.

Monday, July 6 is the tentative re-start date for students to resume driving with instructors. Instructors will be contacting students who were enrolled in the driving program in order to schedule times to continue or start the driving portion of the program.

Madison Consolidated High School will offer a class for students who want to take the class in person. Details are still being worked out and information will be shared at a later date. The class is tentatively set for the September/October timeframe.

If your student has completed or is enrolling in an online class program and wants the driving phase completed by Madison Consolidated High School Driver Education Staff, please contact one of our instructors:

Mr. O'Neal - 812-273-3964

Mr. Whitaker - 812-701-4225 or 812-265-4430

Mr. Houchen - 812-599-6229

Please review and sign the attached waiver and return to your instructor at the time your driving resumes. The signed waiver will be required before your student can begin face to face instruction.

We appreciate your patience as we have worked through the details of a safe return to instruction.

Sincerely,

Michael Gasaway, Principal
