Dear all Shawe and Pope John Parents,

We are excited to kick off the new school year and hope you and your family are ready. We have put in a lot of time and effort to make this a great year for you and your children. There are obviously some changes that the school is preparing for and we want to update you on some of these.

First, please see the attachments for the school reentry plan.

We will not be having the traditional back to school cookout, but will have some smaller activities to help everyone get ready for the new year. Also, we will not be doing a big Campus clean up day, but if you are able to volunteer to help with some of the outside projects please contact Mr. Gardner or Mrs. Fewell for each schools needs.
