

Ours to Protect on Sunshine 106.8 – January 29th 2024

This week Sabrina Dekker from Dublin City Council joined us to tell us about how Dublin was the overall winner of the Global Green City Award in 2023.

1. Late last year Dublin City Council was honoured to announce that Dublin was awarded the prestigious 'Global Green City Award 2023'
2. The award was given at the 18th Annual Session of the Forum in Dubai
3. This was a COP28 associated event.
4. Previous winners include Vienna, Vancouver, Oakland, Curitiba, Nantes, Mannheim and Yokohoma.
5. Dublin City now joins a group of cities that must continue to lead on the global stage and be active in our commitment to sustainable urban development that is green, fair, smart, and transformative.
6. Dublin's application was evaluated based on 85 indicators in key areas that determined Dublin City's performance in areas such as Sustainable Urban Development, Climate Action, Transport, and Nature based solutions.
7. Dublin City Council acknowledges not just DCC staff but the people of Dublin in their commitment to realising a city that is sustainable, smart and climate neutral
8. The goal of Dublin City Council through the Climate Action Plan is for Dublin to transition to a climate resilient, biodiversity-rich, environmentally sustainable and climate neutral economy by 2050

Remember, **Ours to Protect** is broadcast every Monday evening at 7pm on **Sunshine 106.8**.
