Dr. Stephen Gunn, Seminar Speaker
*CrossTalk Global Regional Director, Latin America
Senior Pastor of Crossroads Bible Church, Panama City
Adjunct Instructor, Liberty University, Virginia*

MULTI-YEAR TRAINING POSITIONS ARE LIMITED. DON'T WAIT TO SIGN UP.

DO YOU NEED MORE TOOLS IN YOUR PREACHING TOOL BELT?

There is so much for us in the Scriptures. God's Word is so packed with ideas and concepts that reflect the very heart of God. If only...if only we could better communicate God's story. We could all use more tools to help us in our quest to make God's word understandable and relevant.

This is the fourth year the CrossTalk Salina committee is offering a biblical preaching seminar in central Kansas. This year's seminar will review narrative preaching and introduce a three-year mentoring plan for individuals interested in year-long training.

We are very pleased to announce that Dr. Stephen Gunn of Panama City, Panama, is returning to lead this training. Dr. Gunn has mentored many pastors in Latin America and has served as a CrossTalk Global Trainer in Cuba.

Dr. Gunn will take us through CrossTalk methods for preaching narratives plus introduce a three-year cohort plan. If this is your first time, you will be introduced to effective preaching methods. If you attended a prior session, this will be good opportunity to build on prior teaching.

About our Speaker:

Dr. Gunn was born in the United States, but he has lived in Latin America, mostly in Panama, since he was 15 days old. Steve graduated from high school in Panama City, earned his Bachelor's degree from Moody Bible Institute, his Master's degree from Trinity Evangelical Divinity School, and his D.Min. degree from Talbot School of Theology / Biola University.

Dr. Gunn serves as senior pastor of Crossroads Bible Church, Panama City. Crossroads is a bilingual church with three Sunday worship services. Crossroads also has a K4-12 Christian school, a ministry center in one of Panama City's worst slums, and a language institute.

Dr. Gunn enjoys mentoring other pastors in Latin America, especially in the area of preaching, which is why he is so excited about the privilege of being involved in the leadership of CrossTalk Global.
