

KJIL New Year's Bible Verse Challenge

Listen Weekdays to KJIL from January 3 to 28. Several times a day we will announce the **“word of the day.”** These words make up a Bible verse for you to figure out but the words are not in the correct order. Collect words and once you have the verse figured out, complete the form at **KJIL.com**. On January 31st, everyone who has the verse correct will be in a drawing to win! Print and use this handy form to write down and keep track of the words.

(The verse is from the NIV translation of the Bible and there are 20 words in all.)
