	We are a beach front cafe on Ryde sea front, next to the Canoe Lake. Not only were we hit with covid restrictions in the last 12 months but we have also struggled with Bird Flu at the Canoe lake and the water pipe bursting at Appley, closing the road off. We have now opened up at the start of the Easter holidays for takeaway! It has been so lovely to see all our regulars coming back to enjoy our new belgian waffles ( Dime Bar, Crunchie, Smartie, Caramel, Kinder Bueno and Aero. Or why not try our take away breakfast on the beach! We will be also be looking to open on sunny Friday and Sunday evenings as the weather warms up for freshly battered fish and chips on the promenade! We were unable to offer our very popular kids pebble hunt on the beach this Easter but we hope to resume this in October half term. Find one of our 100's of painted pebbles between the harbour and Appley throughout the week and your child will receive a free hot chocolate! We provide wedding transport and teach carriage driving.
