“Radio is as human as a phone call, as persuasive as a best friend. it can change your mood faster than the sun breaking through the clouds.”

Radio directs traffic online

Radio has always been a strong “call-to-action” medium, and this is even more true in a world where consumers often access brands via the internet.

“In a noisy world, radio’s inherent simplicity is also it’s great strength. Figuring out what we want to say and how best to say it is the most human of exercises. It’s also why radio is so powerful...”

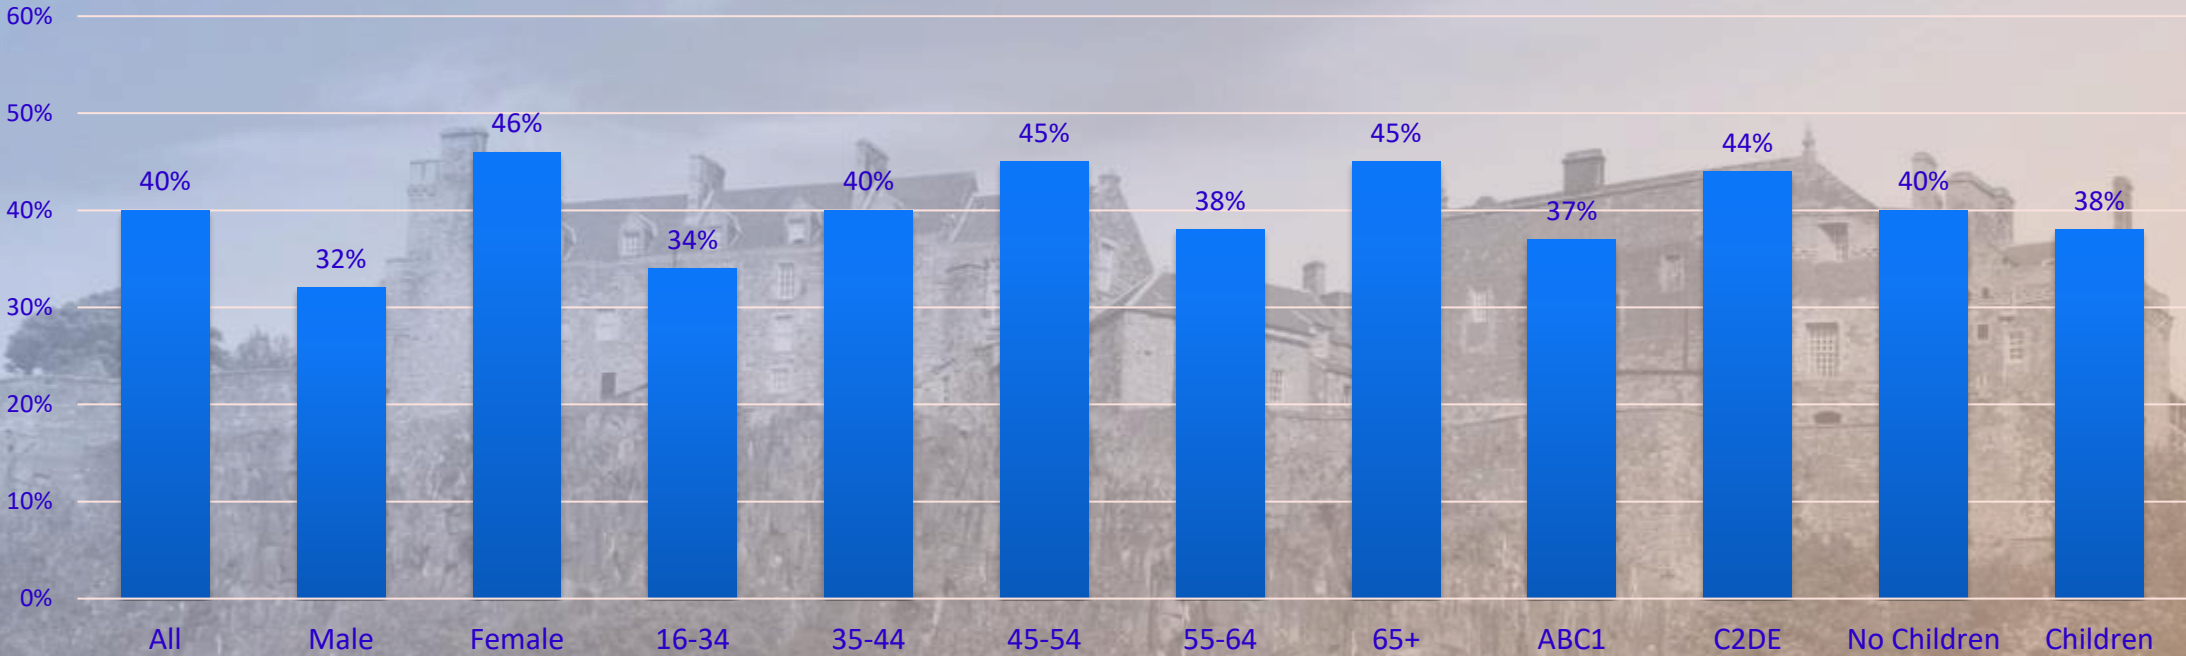

Radio: The online multiplier

Exposure to radio advertising boosts brand browsing by an average of 52%
Radio is on average 4x more cost-effective at stimulating brand browsing online than other media combined
