GOOD NEWS

Thomas the Town Cat has been formally given 'free' feline status in Ramsey. He was found a few years ago in shipping containers and was very quickly

adopted by the town's businesses.

Port Erin's branch of the Royal British Legion has been saved.

It now has a new chair, secretary and treasurer who will be supported by seven others on the committee.

The Manx SPCA is thanking everyone who donated towards an operation for a Staffordshire terrier who was born with a cleft lip and palate. In August the charity was fundraising for Harry's

operation, treatment and aftercare. In an updated post on social media, the team says he's now a 'happy and healthy' dog and has been adopted.

Fundraisers have been praised for their efforts in helping to raise almost £121,000 for Cancer Research UK. The Relay for Life event saw hundreds of walkers join forces to complete laps of the NSC track for 24 hours.

Colin Skillicorn has retired from the Ramsey Fire Station after more than 30 years of dedicated service. Colin first joined the Isle of Man Fire & Rescue Service in November 1990 and was the longest-serving firefighter based at Ramsey Station.
