

Capacity Rate Card

Muxcast One Limited t/a Muxcast Salisbury

V3.1 – February 2024

SUBJECT TO CONTRACT AND CAPACITY AVAILABILTY

Reserved Capacity

3 slots of 36CU are reserved to broadcast a maximum of THREE C-DSP services at up to 48k DAB+

The rate card for each 36CU slot is £2,580 + VAT per annum

This is a 50% discount to the rate charged to DSP holders.

- To apply for this capacity applicants must hold a C-DSP licence and accept our terms of trading.
- Capacity is allocated in line with our Capacity Allocation Policy.
- Under the terms of our licence any untaken C-DSP space must remain reserved but unused and therefore we will only offer reserved capacity in allocations of 36CU/48k DAB+.
- Payment terms are annual prepayment in advance and a minimum contract term of 1 year.
- Prices increase annually on the anniversary of the multiplex launch by the higher of the RPI for December and 5%.

Commercial Capacity

Bitrate	CU	£ (to 27 Mar 24)	£ (from 28 Mar 24)
32 DAB+	24	3270 + VAT	3440 + VAT
48 DAB+	36	4905 + VAT	5160+ VAT
64 DAB+	48	6540 + VAT	6880 + VAT

To apply for this capacity applicants must hold a DSP (or C-DSP licence if reserved capacity is full) and accept our terms of trading.

- Capacity is allocated in line with our Capacity Allocation Policy.
- Payment terms are annual prepayment in advance and a minimum contract term of 1 year.
- Prices increase annually on the anniversary of the multiplex launch by the higher of RPI for December and 5%.

Other bitrates, UEP levels and quotes for standard DAB are available on request.
Subject to terms and conditions of trading.
